

## STARTING GATE SCHOOL HOME OF THE EAGLES

### EVENTS

#### IMPORTANT ANNOUNCEMENTS

- Mark your calendar, this month as we Spring forward 1 hour to note the beginning of Daylight Saving Time. Even though daylight-saving time is only a one-hour time adjustment, it wreaks havoc for thousands of us who have trouble embracing change. Help your children adjust by changing your clocks on Saturday evening instead of Sunday. Rise at your regular time on Monday. By now your child should be well-adjusted to the new time and ready for school.
- St. Patrick's Day is Thursday, March 17, 2011. Be Sure to Wear Green! Each class will have its own celebration after lunch time. Room parents are welcome to plan a festivity if so desired.
- Summer and Fall Enrollment applications are now being accepted. Please plan early!

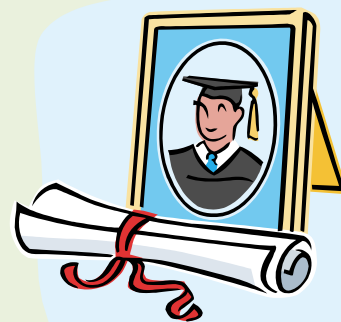

- Safeway and Target Stores wish to remind everyone their company will donate up to 1% of your purchases to Starting Gate School K-12 when you enroll for free in the E-Scrip Program at Safeway or the Take Charge of Education program at Target.

#### Important dates to remember:

- March is Go Green Month, in support of Earth Day next month on April 22, 2011. We are reminding parents and students just how important recycling is. You can participate by bringing in your plastic bottles and cans. Proceeds along with penny donations each day are applied to school supplies. This month we are aiming for more copy toner.

- Preschool Picture Day – is Wednesday, March 16, 2011. Enjoy Spring photos in time for Mother's day and Easter. Graduating Students from preschool will be photographed in their Cap and Gown as well as their Sunday best. Remember to sign up with Teacher Dorothy for the purchase of your child's cap and gown. Our annual June Graduation is only few months away.

## [CONGRATULATIONS & SPECIAL THANKS]

- Honorary Eagle Mrs. Mia Black has generously donated her daughters Kindergarten school uniforms. These uniforms are in great condition, and are available to any interested parent. As most parents have learned, students will grow out of Dennis made uniforms before they wear out.

- Thank you to the Mare Island Museum volunteers for escorting our high school on a historical tour that included visiting the Admiral's Mansion and St. Peters Chapel (the oldest Navel Chapel in the United States).
- It's never too early to starting planning for next September's registration now by visiting the main office. Preparation for processing annual registration is time consuming, there are text books, schedules, and transfer records to consider. Save time by applying early. Please visit the Basic Fund link on the home page of the [Starting Gate School](http://www.StartingGateSchool.com) website and apply for scholarship funds.

**Starting Gate School would like to thank you for your continued support and participation. Education works best when partnerships between home and school work together for better education.**

Remember if you have an item or photo you would like to see in the school bulletin please submit your request no later than the middle of the month for the following bulletin.

For past newsletters and previous events please check the SGS website: [www.StartingGateSchool.com](http://www.StartingGateSchool.com) under News and Events.

**The best compliment you can give Starting Gate School is a referral. It shows your support. The more we grow as a student body, the more our students succeed.**
