

## Preschool & K-12

### School Year

Every student can be exceptionally proud of themselves for a job well done. We are working on a memory disk for parents and students to share their proud moments.

### Summer

The Summer Enrichment program has taken off with a jump start. The 1st session is now full. An afternoon Enrichment program is now being considered.

### New Location

As we settle into our new location we are thankful for parent and sponsor volunteer help we have been receiving.

As trees are trimmed and general repairs continue, we hope to have a new basketball hoop soon.

### Student Pick-up Time

School is out at 3 p.m. daily. Please do not pick up students from school before 3 p.m. as this interferes with studies and school activities.

### No Increase in K-12 Tuition

Starting Gate School appreciates the patronage of our supporting families and will again maintain the present rate of tuition for the 2009-2010 school year. That's right, **no tuition increases!** Please stop by the office for a registration form.

### Uniforms

To preview the new uniforms required for students in Fall, 2009 visit the Sun Room.

### Weekly Activity List

Parents, please check out the Weekly Activity List while at the school.

## K-12 & Preschool

### Thank You!

The only reason that this school will succeed is because of the dedication of our parents and supporters.

Parents have been donating snacks & supplies. This is much appreciated. Items currently needed are reams of copy paper or construction paper.

**Thank you to this month's volunteers, in no particular order:**

**Mrs. Carlis

Mrs. Loudermilk  
Cueva Family**

Special thanks to **Mr. Harold** for the new computers.

**Thank you to all the friends and supporters of Starting Gate not mentioned & not forgotten.**

## K-12 & Preschool

### Parents

Parents are always encouraged to present a topic of interest, to classes of any grade that might have intrinsic value to the students of Starting Gate.

Please schedule a time with your child's teacher if you are interested in being a presenter. Remember, education is everywhere.

### Snack Shack

The Snack Shack opened with great success last month. Students may purchase various snack items priced at 50¢, 75¢ & \$1.00. Students should obtain parental permission before making purchases.

### Pre-Kindergarten

Students attending the summer Pre-kindergarten program should have a change of clothes on hand. Also, include 1 plastic folder, 2 jumbo pencils, 1 box of 8 jumbo crayons, 1 eraser, and glue sticks. See Teacher Trini or Teacher Julie for details.

### Holiday

School will be closed on July 3, 2009.

### Payments

Payments are due on the 5th of each month to avoid a late fee - made payable to Starting Gate School.
