

Recycling Program

Thank you to our entire student body Ambassadors for participating in the recycling bottle and can program. Top Marks go to Brandon Collins for being the Ambassador to bring in more recyclables than any other student during the month of October.

Recycling is an active part of our school program. Students are taught the value of caring for the environment as well as seeing their school benefit through the beautification process.

What is the Flu?

The flu (influenza) is an infection of the nose, throat & lungs caused by a flu virus. Of the many different types, the H1N1 is especially contagious. To help protect your child we are reminding parents to keep your child home if signs of a runny nose & cough continue. Washing hands here at school is a big part of our school day, even more so for children under 5 years. If someone at home is sick, try to keep the person not feeling well in a separate room from others. Be sure to throw away tissues and other disposable items in the trash to reduce the spreading of germs. Keeping all surfaces clean will help prevent the flu bug. Please see your physician as soon as possible if you are not feeling well.

Halloween Party

The Halloween Party was an annual event we all looked forward to and was a great way to say goodbye to October and welcome in November. Thank you to all parents who participated in the event to make Halloween 2009 as fun and entertaining as possible!

Holidays

Starting Gate School will not be in session on Wednesday, November 11th in observation of Veteran's Day. Also: Thursday, November 26th & Friday, November 27th in observation of Thanksgiving.

Medic Ambulance

On Wednesday, November 18th as part of our continued safety awareness program, Tim Bonifay from Medic Ambulance will be on campus to explain to the student body the inner workings of a fully equipped ambulance. Parents are invited to attend as well.

Straw Hat Pizza Lunches

The Straw Hat Pizza Lunches have been successful enough to be extended into November. In conjunction with Straw Hat, preschoolers may purchase a hot lunch that includes a vegetable and drink with their meal for \$2.50 per lunch on Thursdays only this month.

Thank You!

Thank you to all our parents for supporting Starting Gate School each month. Special thanks this month goes out to Starting Gate's Honorary Eagle Mia Black for handling much of our copywork for the classrooms. It's a big job, and our teachers appreciate her extra effort. Thank you to all the friends and supporters of Starting Gate School not mentioned and not forgotten.

Thank you to our friends and supporters:
