PARENT ACTIVITY INVOLVEMENT

Here at Starting Gate School we encourage parent participation in your child's early learning years. Taking part in your child's activities and learning experiences is good for you, your child, and your child's classmates.

If you are interested in volunteering your skills, please sign up with the School Director. "Remember the circle of learning is only complete if everyone participates!"

There are many ways parents can assist:

- ✿ Coordinating local field trips
- ✿ Planning holiday parties and birthday's
- ✿ Assisting the Teacher in daily activities
- ✿ Story Telling
- ✿ Administrative Help – typing or making copies
- ✿ Taking part in school fire drills
- ✿ Arts and Crafts

The list is endless, we welcome all ideas we understand your time is valuable and want you to know parent volunteers are highly appreciated.

Sincerely,

Dorothy Arzadon
School Director
